

Quality wining and dining at **THE CRESCENT**

Following a stunning, extensive refurbishment, Ilkley's landmark listed building The Crescent has now re-opened as one of the hottest venues in Yorkshire - boasting a top restaurant and upmarket inn, complete with 11 boutique bedrooms. At Le Bistrot Pierre eatery you'll experience dining that's anything but ordinary. The restaurant uses premium provenance ingredients to create rustic French dishes at affordable prices. Wines are hand selected from worldwide independent estates and matched to dishes from the menus, while the interior is elegant, charming and unique yet completely relaxed and comfortable. There are extensive menus for breakfast, lunch and dinner, including a large meat-free selection, gluten-free menu and menus for children.

Added to this there are also special event evenings each month:

Soirée Gastronomique - six courses for just £21.90, on the second and fourth Tuesday of every month

Dine with Wine - three courses matched specially to three wines, all for just £26.90, on the first and third Wednesday of every month

Tour de France - three brand new courses from a different region each month, for just £16.50

And if all this wasn't enough to whet your appetite, the extensive wine list contains over 30 wines, with the majority being offered by the glass as well as by the bottle.
